Alexandria, VA 22313-1450LETTER REGARDING THE BASIC NATIONAL FEE

Sir:

This communication forms part of the filing papers for the U.S. national phase application of International Application No. PCT/US03/07517. As indicated in Box 19 of the Transmittal Letter, a basic national fee of \$730 is being paid, which is the amount due when the international preliminary examination fee was paid to the USPTO but not all of the claims satisfy provisions of PCT Article 33(1)-(4). Please be advised that Applicant has not yet received from the USPTO the International Preliminary Examination Report (IPER) for this application. Accordingly, Applicant is paying the \$730 fee on the assumption that the IPER, once issued by the USPTO, will in fact state that all the claims do not satisfy Article 33. On the other hand, if the IPER states that all claims satisfy the provisions of Article 33, Applicant requests that, at the time of IPER issuance, the overpayment of \$630 (i.e., \$730 - \$100) be credited to Deposit Account No. 13-2755.
